

It is an ongoing goal of Charlotte Catholic High School to develop a communication network to foster a substance-free environment. We are asking parents to sign the pledge printed below offering support of a substance-free school community both on and off campus. The list of names of families who have signed the pledge will be included on the parent phone directory indicated by an *.

Please return in your packet by ***Tuesday, September 2nd.***

CCHS Substance-Free and Safe-Home Pledge

We pledge that we will not allow illegal drugs or alcoholic beverages to be consumed by students at any time in our home or on our property. We pledge to supervise actively the conduct of students attending any function organized by us or by any member or our family, and we will make every effort to communicate to the parents of the students involved any information we may obtain about a function at which illegal substances will or have been served/used by students.

(This statement of support does not create any legal right or duty. It is intended for information only and will not be used for any other purpose.)

We have read, signed and support the CCHS Substance-Free and Safe-Home Pledge.
