

## Parent Collection “New” CCHS Media Services

Media Services has started to offer the parents of Charlotte Catholic students’ books, videos, and other materials on topics that relate to issues the secondary student and their parents deal with. Topics include information on colleges, my space, identity, being successful, bullying, dealing with emotions, and divorce among others.

The “**Parent Collection**” is available to you in the Guidance Office. When you visit the school, drop by to see if we have something of interest to you. To check something out just sign the card in the back of the item and leave it with Celia Smith our Guidance Secretary.

If we do not have what you are looking for, you are welcome to make a suggestion by emailing [lameckes@charlottecatholic.com](mailto:lameckes@charlottecatholic.com) at anytime and you will get a response as to when the item or items might be available.
